## MOCA-09, the IAMAS / IAPSO / IACS 2009 Joint Assembly “Our Warming Planet”

**Montreal, July 14th, 2009**

The Organizing Committee of the MOCA-09, the IAMAS / IAPSO / IACS 2009 Joint Assembly, invites the media to take part in the activities of this important international scientific conference whose theme is “Our Warming Planet”.

During 10 days, more than 2000 scientific oral and poster presentations will be offered to the participants by researchers coming from several countries. These presentations constitute first hand information on the science of climate warming.

A very detailed program as well as the required procedures for accreditation are available on the Joint Assembly web site at the following address:
